- Learn taping techniques, modality application, and rehab exercises and assist ATC with these responsibilities when instructed
- Keep the athletic training room and equipment cleaned and stocked
- Assist with athletes' game and practice preparations
- Attend sporting events as needed (travel as scheduled)
- Keep sign in sheet & equipment check out sheet updated
- Stock and maintain medical kits (blood kits, team kits, and ATC kit)
- Assist with keeping inventory
- File athlete paperwork
- Keep the Hydroculator filled

Qualification Requirements

- Physical Education majors or students interested in Sports Medicine preferred, nursing or coaching background acceptable
- Athletics background or interest in sports
- Willing to learn

- Knowledge of exercise and athletic training room techniques
- CPR certification and First Aid experience
- Demonstrate professionalism & maintain confidentiality
- Good communication and people skills necessary
- Flexibility
- Decision making skills necessary
- Organizational skills necessary

Physical Demands

- Frequent walking and standing
- Occasional sitting and lifting
- Occasional phone and electronic communication
- Moderately high stress level

Work Environment

- Inside – gymnasium, office space
- Outside – athletic fields

Evaluation

- Annual performance reviews will be completed by the Head ATC and the Director of Athletics.
